ABL added to MTV & MTV2

Just a reminder that you can now watch 'A Beautiful Lie' on MTV. They've added the video into their rotation as of this week - click here to vote and get it onto TRL! The video was also added to MTV2's Elite 8! Tune in and look for it on either channel.

We are all very grateful and excited by the response we've received from the video and abeautifullie.org, as are our partners at the NRDC and buzznet. Let's keep pushing the envelope and continue to spread the message.

You can show your support by putting a banner onto your profile, blog or website. We've created two banners for you to choose from - just copy the code below the one you'd like to use.
